Verwey Tim van der Stap, Tel. +31/108080452

Start of testing: 14.04.2016

End of testing: 19.04.2016 (extension after add. ordering and/or plausibility check)

The analytical results are only valid for the delivered sample material. A plausibility check is hardly possible for samples of unknown origin.
Duplication of this document or of parts of it requires the authorization from laboratory.
